HEAP WINTER CRISIS PROGRAM 2022-2023

HEAP Winter Crisis Program

The Home Energy Assistance Winter Crisis Program (HEAP Winter Crisis Program) helps income eligible Ohioans that are threatened with disconnection, have been disconnected, need to establish new service, need to pay to transfer service, have PIPP default, need to pay first PIPP, or have 25% (or less) supply of bulk fuel in their tank maintain their utility service.

The program runs from November 1, 2022 until March 31, 2023. Ohio households serviced by a Public Utilities Commission of Ohio-regulated utility must sign up for the Percentage of Income Payment Plan Plus (PIPP) or another payment plan if there is still an outstanding balance on the bill after receiving assistance.

Ohioans with a household income at or below 175 percent of the federal poverty guidelines that are facing disconnection, have been disconnected, need to establish new service, need to pay to transfer service, have PIPP default, need to pay first PIPP, or have less than a 25 percent supply of bulk fuel in their tank are eligible for the program.
