

February 2024 Community Report

Coming Events:

March is Developmental Disabilities Awareness Month

Every March, the National Association for Councils on Developmental Disabilities (NACDD) celebrates Developmental Disabilities Awareness month.

NACDD's 2023 theme, Beyond the Conversation, focuses on the question, "what next?" With this theme, NACDD plans to highlight change and innovation – what individuals and communities are doing to move past talking to take action on education, employment, accessibility, and more.

The Ohio DD Council has a few surprises up their sleeves to celebrate DD Awareness Month, too! Be sure to follow along all month to celebrate with us on our social media

This month-long event raises awareness about the inclusion of individuals with developmental disabilities and aims to create awareness of barriers that people with developmental disabilities often face when trying to connect to their communities.
