

November 2023 Community Report

In the News:

BHP Newark Care Now Clinic

BHP will be moving the Newark Care Now Clinic to 77 Granville Street (by Spencer and Courage Houses) after the first of the year. Their current location has allowed them to provide urgent access to behavioral health services to those in need, but they have unfortunately run out of room. The new location will not only provide more space but will allow BHP to have more providers to support the needs of the community. The Mount Vernon Care Now Clinic at 206 North Mulberry Street will continue at the same location.
