A Note Regarding Franklin County Services:

Given our close proximity to Franklin County, many Licking County residents naturally look there for social services. We did not list Franklin County resources in this brochure as service eligibility is often tied to your county of residence. To receive information and referral for Franklin County services, please contact LSS 211 Central Ohio at 614-221-6766.

If you are a Licking County resident, be sure to ask about eligibility requirements.

Pathways of Central Ohio does not recommend or endorse any agency. We simply provide information as a public service to those in need.

Pathways of Central Ohio's 211/988 Crisis Hotline is funded in part by the Ohio Department of Mental Health and Addiction Services, Mental Health and Recovery for Licking and Knox Counties, the United Way of Licking County, and the Licking County Foundation.
